April 2018

Strawberry Farms Golf Club is excited to welcome the Spring Season and warm weather! SFGC provides great golf, memorable events and exceptional service throughout the year. Thank you to all our loyal guests who continue to make SFGC such a desirable place for people to spend a day!

Message from Superintendent

“With winter transitioning to spring, golf course conditions are good and only expected to get better. Come out and play a round in April - while most courses are aerifying/closed for play, SFGC is open. We will wait to aerify the first week in May. By aerifying in May, we expect a rapid recovery and great summer play.”

~ Jim Fetterly

Pro Tip of the Month

“Golf ball selection is very important. There’s a wide variety of balls on the market. Your selection should be based on your club head speed, ball flight, desired feel and expected performance. The most expensive ball might not always be the right choice for you. Strawberry Farms carries a variety of golf balls – come visit the Pro Shop and talk with a golf professional.”

~ Brett Massingham, PGA
